ANDROID APP ON Google play

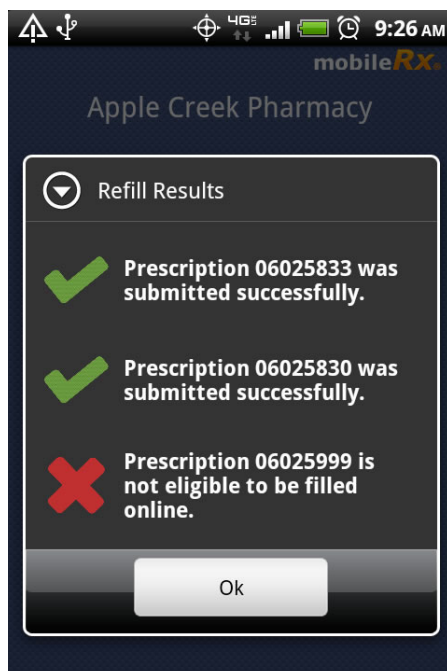

Initial Setup – Scan the QR code to download the app, and enter your pharmacy's phone number (2187591222). That will take you to the home screen where you can choose from the different options for requesting refills:

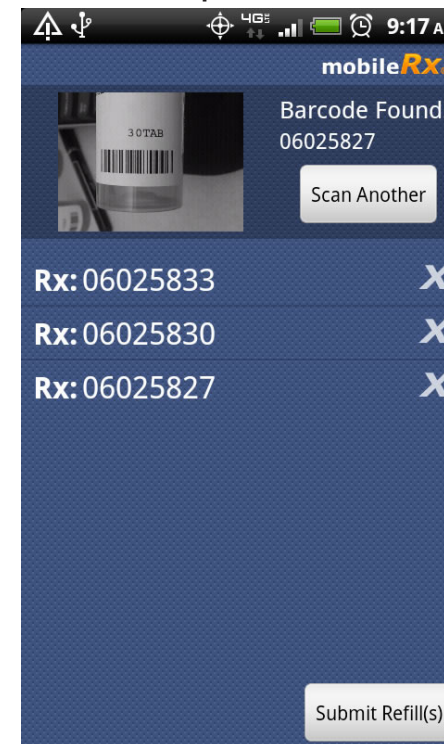

Express Refills – This feature allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

This feature notifies you instantly if prescriptions are accepted or if there is an error.

Scan a Prescription – Scan the barcode label on the prescription bottle, and click Submit Refill(s).

Scan the barcode label on the prescription bottle, and click Submit Refill(s).

Pharmacy Information – This option provides information about your pharmacy, including name, address, phone number and hours of operation.
